HELLO TEACHERS,

Welcome to Brandon Fire & Emergency Service's virtual event for Fire Prevention Week, Oct. 3-8, 2021. This year's theme is "Learn the Sounds of Fire Safety". Please visit www.brandon.ca/fire and click on the "Fire Prevention Week 2021" pane. This will take you to activities by age category and a series of videos. Use this Score Card to keep track of each student's participation. At the end of the week please select one student's name either by level of participation or a classroom draw.

Enter the selected student from your class into a draw for one winner from your school by completing the entry form attached to this sheet. Return the entry form to your front office administrator by Oct. 15th and Heather (BFES Public Educator) will come in to pull a winning name. Winners will be announced the week of Oct. 25th.

PRIZES:

One student from each school will win a goodie bag containing: gifts from the Wheat Kings, a kids meal from McDonalds, tokens from Fun n Games, coupons from Thunderbird Bowl, Just 4 Kidz, Fun Time Pottery, a pass to the Sportsplex, free movie and popcorn at the Theatre and a bunch of other great prizes.

GRAND PRIZE:

One more name will be drawn from each school to be entered into *ANOTHER* draw. The winner of this draw will receive a bowling and pizza party from Thunderbird Bowl.

HOW DO YOU WIN A PRIZE:

Watch the videos as a class, complete the activities for your age category either as a class or individually, do extra activities on your own at home such as:

- *** complete the Home Fire Safety Checklist at home with your family
- *** write a short story about fire safety, include artwork if you can
- *** make art about fire safety - draw a picture, paint, get creative

Bring these extra activities back to your teacher to keep track on the Score Card.
