

Building a Sustainable City - Starting with your own home An Introduction by “Built Green Canada”

What are the benefits of building sustainably? What is a certified home?

How is starting with your home contribute to building a sustainable city?

Built Green Canada will provide an overview of the organization, its programs, how to obtain a BUILT GREEN® certification for your home, and how working together as citizens, builders, developers, and the municipality, we can build a truly liveable city for many generations to come.

Time: 5:00 – 6:30 p.m.

Presentation: 5:15 – 5:45 p.m.

Date: Tuesday, November 3, 2015

Location: 638 Princess Avenue - in the Brandon Design Studio space of the Cultural Resource Centre at the A.R. McDiarmid Civic Complex
