

## **Growing Our Existing Neighbourhoods Together**

The open house intends to bring everyone in the community-together to discuss how we can grow and develop our existing neighbourhoods. The open house will include a brief presentation covering a review of the comments from the public information session held on February 25, 2015 as well as examples of what has been done elsewhere. The presentation will be followed by an informal discussion and an interactive exercise to generate ideas from the participants.

**Please mark your calendars and join us. We look forward to seeing you there.**
