

IS IT CODE, OR IS IT JUST ME?

You are invited to attend the 2013 Manitoba Energy Code Informational Session

hosted by the
Planning & Building Safety Department

on
Thursday, January 29, 2015

from
3:00 pm to 5:00 pm

at the
Brandon Design Studio

(Located on 638 Princess Avenue. Please use the Cultural Resource Centre entrance at the northeast corner of the A.R. MacDiarmid Civic Complex. Additional visitors parking is available at the parking lot at the corner of Princess Avenue and 6th Street).

This informational session will focus on the new 2013 Manitoba Energy Code. The session will address which types of buildings and building systems will be most affected and how to achieve compliance with the newly adopted Energy Code. Following the presentation there will be an interactive question and answer period where stakeholders may find out more about how the code will be implemented and enforced within the City of Brandon.

You are encouraged to bring your business cards for our record and to be on notice for future sessions.

For RSVP or for further information, please contact either Murray Fischer at m.fischer@brandon.ca 204-729-2151 or Melissa Habok at m.habok@brandon.ca 204-729-2510.

PLEASE PROVIDE US WITH A NUMBER OF ATTENDEES IF YOU ARE ATTENDING AS A GROUP.
