

Heritage—Planning for our Future, Preserving our Past

The City of Brandon Planning & Building Safety Department and the Brandon Municipal Heritage Advisory Committee are drafting a new Heritage Management Plan and reviewing the Heritage Conservation By-law.

The **Heritage Management Plan** is a tool to ensure the conservation of heritage resources and to help a community maximize the potential of its heritage resources. The **Heritage Conservation By-law** governs municipal heritage matters, including, but not limited to, the establishment of the Municipal Heritage Advisory Committee and the designation and protection of heritage sites. The by-law is being amended to implement legislative updates as well as some of the new Heritage Management Plan's initiatives.

Please come and join us. We welcome your input on the Heritage Management Plan and the Heritage Conservation By-law.

The open house will be held:

Tuesday, October 6, 2015

4:30pm – 6:00pm

Brandon Design Studio, 638 Princess Avenue

(Please use the entrance off 6th Street, a sign will mark the entrance)
