

February 12<sup>th</sup>, 2019

To: Sonikile Tembo, Community Planner, City of Brandon

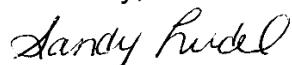

Re: Proposed Affordable Housing at 2605/2611 Rosser Avenue

This letter confirms that I am working with J & G Homes on the development of four, two bedroom affordable housing units within the 8 plex that is planned for construction at the above noted address. The proposed units meet the City of Brandon's definition of affordable rental units.

On February 11<sup>th</sup>, 2019, Brandon City Council approved an Affordable Housing grant to enable this project to proceed as proposed.

Should you have any questions or require any further clarity, don't hesitate to contact me.

Sincerely,

Sandy Trudel  
Director of Economic Development  
City of Brandon
