RE: **Update for Public Hearings – COVID-19**

Dear Applicant/Resident,

Due to the recent restrictions placed upon Manitobans by the Government of Canada and the Province of Manitoba regarding self-isolation and social distancing as a result of the Corona Virus (Covid-19) outbreak.

The City of Brandon has implemented the restriction of no public access to City Hall.

Public hearings will continue to be held for land use applications, the public will not be allowed to attend the public hearing and instead submit their comments or concerns via email, and watch the meeting via the [City of Brandon's YouTube live Stream](#).

<https://www.youtube.com/user/CityofBrandonMB>

All comments or concerns will be provided to the Planning Commission to discuss at the hearing. Further comments can be sent during the live stream by emailing a.chapil@brandon.ca or by text at 204-720-3097.

We thank you for your cooperation during this difficult time,

Sincerely,

Ryan Nickel, RPP
Director of Planning and Buildings, City of Brandon
